## EDUCATION

### 2020-Present **Technical University of Berlin, Faculty of Mathematics, Berlin, Germany**

M.Sc. in Scientific Computing;

- ✓ The program aimed at specializing in Numerical Analysis.
- ✓ Taking course work on; Numerical Linear Algebra I & II, Scientific Computing, Linear and Combinatorial Optimization, Algorithm Engineering
- TU Berlin ranked #140 in Times Higher Education (THE) World University Rankings 2021.

### 2015-2020 **Bilkent University, Faculty of Engineering, Ankara, Turkey**

B.S. in Industrial Engineering;

- Bilkent University is one of the nation's leading research universities.
- ✓ Completed 51 Courses equivalent of 264.5 ECTS credits successfully in 4.5 years.
- ✓ Completed course work on; Optimization, Simulation, Probability and Statistics, Linear algebra, Inventory theory, Stochastic programming.

#### Projects:

GE 401-402, Innovation Design, and Entrepreneurship (senior project).

Research project on "Network Optimization for Countries with Low Electricity Coverage." The course-based project involved solving a modeling problem and conducting a sensitivity analysis using Xpress and Excel Solver.

### 2014-2015 **Bilkent University, English Language Preparatory Program, Ankara, Turkey**

### 2009-2013 **Ayranci Anatolian High School, Ankara, Turkey**

Science/Mathematics Student

## EXPERIENCE

### Aug-Sep 2019 **Phoenics GmbH, Information Technology Intern, Hannover, Germany**

Leading provider in the field of photogrammetry and GIS services in Germany.

- ✓ Designed website using front end development tools and created a multi-language website for stakeholders throughout Europe.
- ✓ Improved company infrastructure by organizing IT services.
- ✓ Teamed up with the Phoenics staff to provide maximum online promotion of the brand.

### Aug-Sep 2018 **SIKA AG, Production Department, Intern, İstanbul, Turkey**

Swiss specialty chemicals company with a leading position in the development and production of systems and products.

- ✓ Contributed to the strategic planning process for Sika Turkey by determining the best ways to use machinery to maximize efficiency while keeping costs down and increasing company profits.
- ✓ Conducted research on emerging technologies and trends in the Turkish chemical production market to identify business needs, identify potential stakeholders, and come up with action plans to develop strategic plans and business strategies.

## VOLUNTEER ACTIVITIES

### Jul-Aug 2018 **European Voluntary Service, Râmnicu Sărat, Romania**

- ✓ Volunteer in a society which aimed to protect the environment from pollution.

### Sep-Nov 2014 **RadioBilkent, Ankara, Turkey**

- ✓ Organizing and editing scripts for the radio programs as well as being a responsible teammate for the student club.

## SKILLS AND ABILITIES

### Computer

Programming: Java, C++, Julia, Python, MATLAB  
Optimization: Xpress IVE, GAMS, Excel Solver  
Database: SQL, MS Access  
Statistics: Minitab  
Design: SolidWorks, CorelDraw, Adobe InDesign  
Other: Microsoft Office (Word, Excel, PowerPoint, Access, Project), Arena Simulation  
**Languages** Turkish (native), English (C1-C2, Academic IELTS 7.0/9.0), German (B2)

## EXTRACURRICULAR ACTIVITIES

- **Founder and editor of carsofturkey.com magazine**, 2014-Present
  - ✓ Wrote more than 50 articles about cars and car culture.
  - ✓ Built his website by using WordPress and web development tools.
- **Writer and Board Member, Bilkent Gazette Society**, 2014-2019
  - ✓ Driving brand new cars and review them for potential buyers.
  - ✓ Providing and managing content using WordPress.
- **Board Member, Bilkent University Swimming Club**, 2015-2019
  - ✓ Licensed Swimmer.
  - ✓ Represented the club and worked to promote its image at competitions in Turkey.
- **Member, INFORMS** (Institute for Operations Research and Management Science), 2015- 2019
- **Board Member, Bilkent University Engineering Society**, 2014-2018
  - ✓ Participated in high-profile business conferences.

## OTHER INFORMATION

### Achievements & Certificates

- IELTS Academic, Overall band score of 7 from The International English Language Testing System, Ankara, Turkey, April 2020
- TESOL/TESL/TEFL Certificate, Oxford Seminars, Oklahoma City, OK, USA August 2017
- Advanced Plus English Certificate, Washington English Center, Washington D.C, USA, August 2016
- Placed in the top 1% in the National High School Exam among over 2 million students, Ankara, Turkey, July 2014

### Personal Traits

Possesses leadership skills, willing to take the initiative, target-oriented, self-disciplined, versatile, good at planning and organization
